CR75SJ	TOUAREG R-LINE 3.0TDI 286HP V6 4M DSG	A8A	R-Line	Diesel	37.00%	F2 €1,250	286	217	8.3	€99,260	€1,000	€100,260

Note: A8A = 8-Speed Automatic

¹VRT Bands and rate of Annual Road Tax are valid as of 1st January 2021 and calculated from the base model WLTP values for model year 2022 cars produced from CW25/2021 onwards. All vehicles with TBC are subject to EU type approval and with that were not available at time of going to print.

²The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP). The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO₂ emissions produced. To discover exact values please configure your desired vehicle at volkswagen.ie/build. You can discover more about the WLTP at volkswagen.ie/wltp.

³All prices (Retail, Delivery and ROTR) are recommended by Volkswagen Ireland.

*Recommended On the Road Price.

Importantly note that the rate at which your vehicle pays Vehicle Registration Tax may increase as a result of your vehicle configuration. For more information, please consult your local Authorised Volkswagen retailer.

In accordance with (EU) 2020/740 ("Tire Labeling Regulation"), please visit volkswagen.ie configurator for details relating to the tyres applicable to said vehicles.

Please note every effort has been made to ensure the contents of this publication (including RRP, CO₂, fuel consumption and technical information) were accurate and up-to-date at the time of going print 1st October 2021. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.

Touareg Elegance & PHEV

Interior Equipment

- » Leather-wrapped multifunction steering wheel touch
- » Heated front seats
- » Carpet mats in front and rear
- » 30 colour ambient lighting
- » Black decorative trims
- » Black Headliner
- » Seat trim covers in "Vienna" leather
- » Fabric door and side trim panel
- » Illuminated vanity mirrors in sun visors
- » Centre armrest in front and rear
- » Centre console painted in black matte/ silver appearance
- » Assymetrical split folding rear bench seat and backrest, longitudinally sliding with backrest tilt and adjust
- » Lumbar support in front
- » Luggage compartment cover
- » Plastic loading edge protection
- » Height and longitudinally adjustable steering column
- » Power steering system
- » Front seats with height adjustment
- » Plastic scuff plates in door apertures
- » Leather-wrapped multifunction steering wheel with Tiptronic
- » 'Elegance' Style pack
- » Decorative inserts in 'Brushed Aluminium' for dashboard and door panels
- » Comfort seats in front
- » Mechanical rear seat release
- » Leatherette door and side trim panel
- » Power seats in front, driver side memory feature and seat cushion depth adjustment
- » Centre armrest in rear with beverage holder
- » Centre console in glossy black/ silver appearance
- » ergoComfort seats
- » Manually adjustable lumbar support
- » Tilting & Sliding Panoramic Sunroof
- » Mood lighting
- » Remote unlocking for rear backrest

Exterior Equipment

- » 20" 'Montero' alloy wheels in 'Glam Silver'
- » LED headlamps for low beam and high beam with separate daytime running lights
- » Automatic headlight control with LED daytime running light and Coming and Leaving Home feature
- » LED rear combination lamp

- » Folding, power adjustable and heated exterior mirrors with front passenger exterior mirror lowering function
- » Silver anodised roof rails
- » Headlamp washer system
- » Heat insulating glass windshield
- » Poor weather light
- » Rear fog lamp
- » Heated insulated glass
- » Wheel locks with extended anti-theft protection
- » Tinted rear windows
- » Stainless steel loading edge protection
- » Chrome tailpipe on left and right integrated in rear bumper
- » Chrome trims on lower parts and air intakes
- » Scuff plates in stainless steel

Functional Equipment

- » 9.2" navigation system 'Discover Pro' with 8 speaker sound system and online services
- » DAB Radio
- » Premium telephone system with storage compartment with mobile phone interface in front and wireless charging
- » App Connect with Apple Car Play and Android Auto and Volkswagen Media control
- » Always online e-Sim
- » Adaptive cruise control 'Stop & Go' incl. speed limiter
- » Air care climatronic with 2 zone automatic climate control with combined activated carbon filter
- » Multifunction display premium
- » Driver profile select
- » Rear view camera
- » Multifunction camera
- » Electromechanical parking brake with auto hold and hill climb assist
- » Instrument cluster with electronic speedometer, odometer & trip odometer and tachometer
- » Forward collision warning 'Front Assist' Autonomous emergency braking
- » Park Assist with Park Distance Control
- » High beam control 'Light Assist'
- » Start/stop system with regenerative braking
- » Driving Profile Selection
- » Lane keeping system 'Lane Assist'
- » Central locking system 'Keyless Go' without SAFELOCK
- » Starter switch locking system

- » Easy Open Package
- » Dynamic road sign display
- » Diversity antenna for AM/FM reception
- » Driver alert system
- » Acoustics package 'Extra'- exterior noise suppression
- » Automatically heated washer nozzles in front
- » USB C interface and USB charging socket
- » Fresh air intake system with combination filter
- » Dynamic headlight range control
- » Remote unlocking for luggage compartment
- » Two tone horn
- » We-Connect
- » Tyre Mobility Kit

Safety Equipment

- » Driver and front passenger airbag with front passenger deactivation
- » Curtain airbag system front and rear including side airbags and belt tensioners
- » Anti-theft alarm system with interior monitoring, backup horn and towing protection
- » Emergency call service and roadside assistance call
- » Visual and acoustic seat belt reminder, electric contact in front and rear
- » Tool kit
- » Extended pedestrian protection measures
- » Safety optimised front head restraints
- » 3 point seat belts in front with height adjustment and seat belt pretensioner for outer rear seats
- » Automatic slip control differential lock
- » First aid bag and warning triangle
- » ISOFIX anchorage points for mounting 2 child seats on rear seats
- » Tyre pressure monitoring system

PHEV Elegance Equipment

- » Charging cable, mode 2, type 2
- » Charging cable 16A
- » 19" 'Tirano' alloy wheels

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Touareg R-Line (in addition to Elegance)

Interior Equipment

- » R-Line Style Package
- » R-Line specific, heated leather multifunction steering wheel with R-Line logo and shift paddles
- » Sill panel trim with R-Line badge
- » Decorative inserts 'Silver Wave' dashboard and door trim panels
- » Centre armrest in rear with beverage holder
- » Interior ambient lighting
- » Bright decorative trims
- » R-Line specific aluminum inserts
- » Leather Package 'Savona' with ergocomfort seats R-Line
- » Leatherette door and side trim panels
- » Comfort seats in front
- » Double illuminated vanity mirrors in sun visors
- » Black Headliner
- » Mechanical rear seat release
- » Bright decorative trims
- » Sports pedals in stainless steel incl. footrest
- » Scuff plates in stainless steel illuminated with 'R-Line' logo in front
- » Powered luggage compartment cover
- » Stainless steel loading edge protection
- » 4-way pneumatically adjustable lumbar support

Exterior Equipment

- » 20" 'Braga' Volkswagen R alloy wheels in 'Dark Graphite' with diamond-turned surface
- » Wheel locks with extended anti-theft protection
- » Wheel well extensions in body colour
- » Wheel well extensions in body colour
- » Black roof rails
- » R-Line bumpers, front and rear in R-styling
- » R-Line speed stripes on sides
- » Radiator grille with R-Line badge
- » LED rear combination lamps, with dynamic turn signal
- » Painted exterior mirror housings
- » Stainless steel loading edge protection
- » 'Chrome & Style' comfort bumpers
- » 'Design' rear exhaust tailpipe
- » Chrome-plated decorative trims on the side windows

Functional Equipment

- » Premium memory package
- » 'Light and Sight' package
- » Power seat adjustment for both front and rear seats
- » Power latching for tailgate/trunk lid

Safety Equipment

- » Extended pedestrian protection measures incl. reactive hood
- » Safety steering column with electric axial and tilt adjustment

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Effective from 01 October 2021, for production from CW25/2021 onwards. All prices include VAT and VRT. These prices are subject to change once technical data comes available.

Touareg R (PHEV)

Interior Equipment

- » 'R' Model Style Package
- » Leather package "Puglia" for R with ergoComfort
- » Hybrid Propulsion system
- » Scuff plates in door apertures illuminated R-Model specific

Exterior Equipment

- » 20" 'Braga' alloy wheels in Black/ Diamond Turned with wheel locks and extended anti-theft protection
- » LED Matrix headlamps with LED separate daytime running lights
- » Upgraded 'R' disc brakes 19" in front and 18" in rear

Safety Equipment

- » Automatic slip differential (torsen differential)

PHEV Equipment

- » Charging cable, mode 2, type 2
- » Charging cable 16A

Note: The above images show optional 22" 'Estoril' alloy wheels in black, exclusive to R

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Options

The addition of optional extras may result in the vehicle increasing in Co2 g/km and therefore, attracting a higher rate of VRT than described in this product guide. **For your exact configuration value, both Co2 g/km and RRP, please visit volkswagen.ie configurator.**

Innovision Cockpit

The 'Innovision Cockpit' is celebrating its world premiere in the third generation Touareg.

The majority of its buttons are integrated into the 15-inch (1,920 x 1,020 pixels) screen within the central column of the 'Discover Premium' infotainment system, which is curved towards the driver.

The driver can personalise the layout of the 12.0-inch display from the home screen or the multifunction steering wheel. Drivers can also vary the layouts and the type and number of displays according to their personal tastes. Those who like a minimalist layout, for example, can limit the display to the navigation system or digital.

It is also possible to integrate various system displays into the Digital Cockpit as listed on the right:

- » Front Assist (area monitoring system)
- » Driver Alert System & Active Cruise Control
- » Dynamic Road Sign Display
- » Tyre monitoring system
- » Navigation functionality with Destination arrival information
- » Off-road display (including banking angle)
- » Gear indicator & Driving speed (always visible)
- » Fuel consumption & Fuel range
- » Distance covered & Acceleration
- » Elevation (topographic)
- » Audio functions

Driver Assistance Systems

Traffic Jam Assist

This fusion of very different systems enables drivers to take their hands off the steering wheel for a limited time when Traffic Jam Assist including Roadwork Lane Assist automatically assumes longitudinal and lateral guidance (braking, accelerating, steering).

Avoid typical accidents in slow-moving traffic.*

The system can keep the vehicle in lane and automatically operate the accelerator and brake.*

Pre Crash 360°

The proactive occupant protection system detects a potential accident situation.

When detected, the seat belts of the driver and front passenger are automatically pre-tensioned and the electric seat functions are preset to ensure the best possible protection by the airbag and belt system.

If a highly critical and unstable driving situation is detected, the side windows are closed as is the panoramic sliding roof.

Front Cross Traffic Assist

The new Front Cross Traffic Assist in the Touareg now also warns* of vehicles approaching the front of the car from the sides at intersections, driveways and parking spaces.

For this purpose, two radar sensors are integrated in the front bumper, which sense at a 55 degree angle to the vehicle's longitudinal axis to monitor side traffic. Here too, the system intervenes with emergency braking actions*.

*Within the Limits of the System

Infotainment Systems

Wireless Charging

The equipment consists of a storage compartment capable of inductively charging an appropriate smartphone with the Qi Standard, i.e. wirelessly.

Any calls started outside the car can also be transferred by Bluetooth to the hands-free system. The system can be operated by voice command, using the multifunction steering wheel or Infotainment system. Very simple – and precisely how you want it.

DYNAUDIO

The system utilises a Dolby 7.1 amplifier with a power output of 730 watts to drive a total of fourteen loudspeakers: four tweeters in the A-pillars and the front door shoulders (each 65 mm in diameter), two mid-range speakers in the front doors (each 100 mm) and four mid-range speakers in the rear doors (each 200 mm), two effect loudspeakers in the D-pillars (each 100 mm), a centre speaker in the dash panel and a subwoofer under the luggage compartment floor. Create the greatest soundtrack for your driving experience.

Discover Premium

The centrepiece of the InnoVision Cockpit is the top 'Discover Premium' infotainment system, which serves simultaneously as a radio-navigation system, telephone, information centre and user interface for configuring various vehicle functions.

The 'MIB2+ High'-based Discover Premium offered in the Touareg provides features that include the following innovations:

- » Connected navigation
- » 'Nav-Gen4 routing'
- » Self-learning navigation system
- » Hybrid radio
- » Mobile online services
- » Home screen personalisation

Driving Experience

Off Road Package

Additional driving modes for the Touareg are available in conjunction with the optional Offroad package.

Along with the additional driving modes, it includes such features as two towing eyes, a larger fuel tank whose capacity is increased from 75 to 90 litres and an underbody protection system with a radiator guard, reinforced underbody protection, a guard element for the 12-volt battery, very rugged aerodynamic fairing, tank guard and stone impact protection.

Advanced 4-Corner Air Suspension

The new, open air suspension system works both quickly and silently; it is not affected by fluctuations in temperature or outside air pressure.

Active roll compensation with electro-mechanically adjustable anti-roll bars is a completely new feature. These active anti-roll bars significantly reduce the Touareg's side lean when cornering.

On roads that are uneven on one side, directional stability also improves considerably. When driving offroad, meanwhile, the electromechanical decoupling of the anti roll bars enables improved articulation of the axles which, in turn, improves traction.

9.5J x 21 Tyres: 285/40 R21

OPTIONAL ON 'R'

22" 'Estoril' alloy wheels in black

9.5J x 22 Tyres: 285/35 R22

The addition of optional extras may result in the vehicle increasing in Co2 g/km and therefore, attracting a higher rate of VRT than described in this product guide. For your exact configuration value, both Co2 g/km and RRP, please visit volkswagen.ie configurator.

Technical Data

Engine	3.0TDI 231HP ¹	3.0TDI 286HP ¹
Gearbox type	8 speed auto DSG	8 speed auto DSG
Engine type	V6	V6
Fuel tank capacity, ltrs	76	76
Cubic capacity, ltrs/cc	3.0/2,967	3.0/2,967
Max. output, HP/kW	231/170	286/210
Max. torque, Nm	500	600
Performance		
Top speed, km/h, where the law permits:	222	236
Acceleration, secs 0 - 100km/h:	7.6	6.3
Environmental information		
Official fuel consumption ltr per 100km:	8.3 - 8.7	8.2 - 8.7
WLTP: (Min-Max)		
Low speed consumption	11.8 - 12.5	11.8 - 12.7
Medium speed consumption	8.1 - 8.6	8.4 - 8.9
High speed consumption	6.8 - 7.2	6.9 - 7.3
Extra high speed consumption	7.9 - 8.3	8.1 - 8.5
Combined speed consumption	8.1 - 8.6	8.3 - 8.7
WLTP Emissions Combined, CO ₂ g/km:	215 - 225	217 - 227
Emission class	EURO 6 AP	EURO 6 AP

¹VRT Bands and rate of Annual Road Tax are valid as of 1st January 2021 and calculated from the base model WLTP values for model year 2022 cars produced from CW25/2021 onwards. All vehicles with TBC are subject to EU type approval and with that were not available at time of going to print.

The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP). The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO₂ emissions produced. To discover exact values please configure your desired vehicle at volkswagen.ie/build. You can discover more about the WLTP at volkswagen.ie/wltp.

Importantly note that the rate at which your vehicle pays Vehicle Registration Tax may increase as a result of your vehicle configuration. For more information, please consult your local Authorised Volkswagen retailer.

In accordance with (EU) 2020/740 ("Tire Labeling Regulation"), please visit volkswagen.ie configurator for details relating to the tyres applicable to said vehicles.

Please note every effort has been made to ensure the contents of this publication (including RRP, CO₂, fuel consumption and technical information) were accurate and up-to-date at the time of going to print 1st October 2021. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.

Technical Data

Engine	3.0 TSI PHEV 381HP	3.0 TSI PHEV 462HP
Gearbox type	8 speed auto DSG	8 speed auto DSG
Engine type	V6	V6
Fuel tank capacity, ltrs	75	75
Cubic capacity, ltrs/cc	3.0/2,967	3.0/2,967

ID. Charger

The ID. Charger will enable you to charge your PHEV seamlessly, making it ready to depart on your next journey. All you need to do is order the ID. Charger online from your retailer and we will look after the rest including a remote home check, installation and setup.¹ For eligible private and commercial customers, SEAI offer an EV Home Charger Grant of €600 towards the cost of purchasing an ID. Charger with Installation.

There are three different variants of our ID. Charger:

ID. Charger

- » Charging performance – up to 7.4 kW AC (single-phase) or 11 kW AC (three-phase)
- » The attached (Type 2) charging cable is fixed to your ID. Charger with an option of 4.5 m or 7.5 m length
- » Integrated DC fault current detection ≥ 6 mA - no RCD type B required (Saving up to €200)
- » Dynamic load management (Blackout Protection) ready²

ID. Charger from €494
ID. Charger + Installation from €729*

(*From €1,329 before SEAI Grant³)

ID. Charger Connect (In addition to ID. Charger)

- » Wi-Fi/Ethernet communication
- » Secure and stable LTE mobile communication⁴
- » Safe data transfer using the latest standard (OCCP 2.0)
- » Safe access control with RFID card
- » Remote access via Volkswagen We Connect ID. app
- » Future proof via remote software updates
- » Plug & Charge (ISO 15118) via software update
- » EEBUS communication for energy management via software update

ID. Charger Connect from €764
ID. Charger Connect + Installation from €949*

(*From €1,549 before SEAI Grant³)

ID. Charger Pro (In addition to ID. Charger Connect)

- » Secure and stable LTE mobile communication included
- » MID certified electricity monitoring and deduction, e.g. for company car drivers

ID. Charger Pro from €1,114
ID. Charger Pro + Installation from €1,279*

(*From €1,879 before SEAI Grant³)

Standard Installation package

You order. We'll take care of the rest. We offer everything you need to start your electrifying future. The following services are included in our standard installation package:

- » Remote/Virtual Home Check and if necessary Physical On-Site Home Check
- » Up to two wall openings
- » Up to 15 m cabling from fuse box to ID. Charger
- » Residual current and wiring protection
- » Installation and commissioning

Installation Package Benefits

- » Comprehensive Installation package and ID. Charger from one supplier
- » Professional and Safe Electric Registered Electrical Contractor (REC)
- » Installation of fuses recommended by law
- » 24-month guarantee on the Installation
- » Seamless on-site and after sales support

¹ The customer should apply for the SEAI grant before ordering the ID. Charger. Please see www.seai.ie for further information.

² Our standard installation package does not include a Dynamic Load Management solution. Whether this is required will be jointly evaluated during the remote home check with the installation provider. Homes with other large power consumers such as electric shower or heat pump need this solution to manage the total house load. In case it is needed, our installation partner will offer it directly to you for approximately €240.

³ For eligible private and commercial customers, SEAI offer an EV Home Charger Grant of €600, see www.seai.ie for further information.

⁴ Optional add-on €215
